

A Food for Special Medical Purposes

PKU Easy Tablets

PKU Easy Tablets are a phenylalanine free protein substitute tablet containing essential and non essential amino acids. PKU Easy Tablets are suitable to be used in the dietary management of PKU (phenylketonuria) patients aged 3 years and above.

Dosage PKU Easy Tablets

Dosage to be determined by the clinician or dietitian and is dependent on the age, body weight and medical condition of the patient.

PKU Easy Tablets are coated (slow release) tablets which are to be swallowed with liquid.

11 tablets = 10 gram of protein.
